How to Complete Your Colorado HIPAA Authorization

Authorization for Release of Protected Health Information (45 C.F.R. 164.508)

INSTRUCTIONS — KEEP FOR YOUR RECORDS. DO NOT ATTACH THIS PAGE TO YOUR DOCUMENT.

About this form. Federal privacy law (HIPAA) limits who doctors, hospitals, and insurers can talk to about you. This authorization lets the people you name receive your health information so they can help you.

1. **Who and what (Page 1)**
   Name the people who may receive your information and choose what may be released. Initial any specially protected records you want included.
2. **Sign before a notary (Page 2)**
   Hospitals and insurers are more likely to accept a notarized authorization without question. Bring a current, government-issued photo ID.

After It's Signed

- Give copies to the people you named and to your doctors and health plans.
- This form works best with a Colorado Medical Durable Power of Attorney. We have a free form.
