How to Complete Your Florida Proof of Life Affidavit

Life Certificate (Florida)

INSTRUCTIONS — KEEP FOR YOUR RECORDS. DO NOT ATTACH THIS PAGE TO YOUR DOCUMENT.

About this form. Foreign governments, pension funds, and annuity providers often require a **proof of life (life certificate)** each year, confirming that a person receiving payments is still alive. The person must appear in front of the notary.

1. **Fill in the form**
   Enter your personal details and the pension or benefit information. If the payer sent its own form, bring it as well; we can notarize either.
2. **Appear in person**
   The person receiving the benefit must appear before the notary. For homebound clients, hospitals, or care facilities, our mobile notaries come to you.
3. **Sign under oath in front of a notary**
   Do not sign ahead of time. The notary places you under oath and completes the jurat. Bring a current, government-issued photo ID such as a driver license, state ID, or passport.

After It's Signed

- Mail the original to the pension fund or agency before its deadline.
- For use in another country, the notarized document may need an apostille from the Florida Department of State. We can handle the notarization and the apostille for you.
