How to Complete Your New York Affidavit of Identity (One and the Same Person)

Affidavit of Identity (One and the Same Person) — New York

INSTRUCTIONS — KEEP FOR YOUR RECORDS. DO NOT ATTACH THIS PAGE TO YOUR FORM.

About this form. This affidavit states under oath that **different names belong to the same person**, for example after marriage, or when a middle name or spelling differs between records. Title companies, banks and agencies often require it.

1. **Fill in your information**
   Enter your full legal name and address exactly as they appear on your photo ID.

2. **Complete each statement**
   Read every statement carefully and fill in the blanks. Every statement must be true and complete.

3. **Sign in front of a notary**
   Do **not** sign ahead of time. Bring a current government-issued photo ID. You will swear or affirm that the statements are true. A false statement under oath can be perjury. **First Choice notaries come to you**, and we offer New York, out-of-state and remote options.

After It's Signed

- Keep a copy for your records and give the original to the person or agency that requested it.
- Need it for use abroad? After a New York notary signs it, the County Clerk where the notary is qualified certifies the notary's signature, then the NYS Department of State issues the apostille. **First Choice handles the whole process.**
