About this form. A Lost Note Affidavit lets the owner of a promissory note **enforce, sell or release a loan** when the original note cannot be found. Title companies and loan buyers commonly require it.

1. **Fill in your information**
   Enter your full legal name and address exactly as they appear on your photo ID.

2. **Complete each statement**
   Read every statement carefully and fill in the blanks. Every statement must be true and complete.

3. **Sign in front of a notary**
   Do **not** sign ahead of time. Bring a current government-issued photo ID. You will swear or affirm that the statements are true. A false statement under oath can be perjury. **First Choice notaries come to you**, and we offer New York, out-of-state and remote options.
