How to Complete Your New York Statutory Declaration

Statutory Declaration — New York

INSTRUCTIONS — KEEP FOR YOUR RECORDS. DO NOT ATTACH THIS PAGE TO YOUR FORM.

About this form. Several countries (such as the United Kingdom, Canada, Australia and India) ask for a **statutory declaration**, a written statement solemnly declared to be true. In New York it is completed before a notary public as a sworn statement.

1. **Fill in your information**
   Enter your full legal name and address exactly as they appear on your photo ID.

2. **Complete each statement**
   Read every statement carefully and fill in the blanks. Every statement must be true and complete.

3. **Sign in front of a notary**
   Do **not** sign ahead of time. Bring a current government-issued photo ID. You will swear or affirm that the statements are true. A false statement under oath can be perjury. **First Choice notaries come to you**, and we offer New York, out-of-state and remote options.

After It's Signed

- Check whether the receiving country requires its own declaration wording. If it does, bring that form to your appointment and we will notarize it.
- Need it for use abroad? After a New York notary signs it, the County Clerk where the notary is qualified certifies the notary's signature, then the NYS Department of State issues the apostille. **First Choice handles the whole process.**
